OVERALL COMMENT: Thank you, Hannah, for a great lesson taught today. I was very impressed! I hope you enjoy your practicum teaching experience with Mrs. Hintz. She is very respected & will help you grow as a teacher! I look forward to observing you again in March. C. DeGree

Assessed Criteria

Criterion	Description	Score	Comments
Supports student learning through developmentally appropriate instruction		1.0 4.0	You presented a well organized & prepared social studies lesson for 5th grade. Although it is grade appropriate & interesting history, it can be a challenging subject for many 5th graders.
Accounts for differences in students' prior knowledge		1.0 4.0	As we discussed, this was only your 2nd day there teaching, & the group of students were from another 5th grade class. This made it difficult to account for differences in students' prior knowledge. On the other hand, you did well responding to inquiries & request for clarifications very well & produced a wonderful lesson.
Uses knowledge of students' socioeconomic, cultural and ethnic differences to meet learning needs		1.0 4.0	See above comments.
Exhibits fairness and belief that all students can learn		1.0 4.0	You created a lesson environment that encouraged & promoted student participation for all.
Creates a safe and respectful environment for learners		1.0 4.0	The lesson was structured & delivered in an efficient manner with clear expectations of involvement & encouragement for participation.
Structures a classroom environment that promotes student engagement		1.0 4.0	See above comments.
Clearly communicates expectations for appropriate student behavior		1.0 4.0	This type of lesson can result in loud talking & can disinhibit some students. You were able to address these few issues when they did occur. I thought you showed very good classroom management.
Responds appropriately to student behavior		1.0 4.0	Please see above comments.
Effectively teaches subject matter		1.0 4.0	As we discussed, you came in during the summative portion of this unit, with the preceding material already presented. This will be easier for you when you can teach the lesson from the beginning to the end. You are learning the hard way that good teaching requires you to be flexible & to handle things on the fly at times! Nice Job!
Guides mastery of content through meaningful learning experiences		1.0 4.0	See above comments.
Connects core content to relevant, real-life experiences and learning tasks		1.0 4.0	I particularly enjoyed your use of the Police Report to connect the material with real life experiences. It was a great way to engage the students. I found your use of the viewpoints of Loyalists vs. Patriots thought-provoking, as the students did from my observation.
Designs activities where students engage with subject matter from a variety of perspectives		1.0 4.0	See above comments.
Uses relevant content to engage learners in innovative thinking & collaborative problem solving		1.0 4.0	The students readily engaged one another & provided opinions that led to a deeper level of understanding of the issues in this historical event.
Uses multiple methods of assessment		1.0 4.0	
Connects lesson goals with school curriculum and state standards		1.0 4.0	Your lesson was aligned with state standards & collaboratively developed with your cooperating teacher. The students learned an important historical event & were required to use primary & secondary sources.
Adjusts instructional plans to meet students' needs		1.0 4.0	As noted above, this was another teacher's class taught thru a departmentalized approach & you did not have opportunity to review individual student needs. That being said, I felt you adjusted your instructional pace & focus based upon student questions & responses.
Varies instructional strategies to engage learners		1.0 4.0	See above comments.
Differentiates instruction for a variety of learning needs		1.0 4.0	See above comments.
Uses feedback to improve teaching effectiveness		1.0 4.0	You were open to further discussion about potential changes in the lesson. The lesson, however, went very well.
Uses self-reflection to improve teaching effectiveness		1.0 4.0	Your suggestions for possible changes for reteaching this lesson were good ones. I really liked your idea of sharing a real Police Report.
Upholds legal responsibilities as a professional educator		1.0 4.0	You definitely demonstrated professionalism in your student interaction & teaching methods.
